Eric M. Knight

Eric Knight is an associate at Schwartz & Ballen LLP.

Eric received his J.D. degree with honors in May 2020 from The George Washington University Law School and served as Articles Editor of the Business & Finance Law Review. His note “AI and Machine Learning-Based Credit Underwriting and Adverse Action Under the ECOA” was published in the journal’s April 2020 issue. Eric worked as an intern at the U.S. Commodities Futures Trading Commission (CFTC) and the Financial Industry Regulatory Authority (FINRA), and as a judicial intern for a federal magistrate judge.

He earned his B.A. degree from the University of Maryland.

Eric is a member of the New Jersey Bar.
